Our staff consists of college students who are majoring in Early Childhood or Elementary Education and certified teachers. Our pools are supervised by certified lifeguards and WSI instructors.

Our Hilltop has an enclosed in-ground 20' by 40' heated pool. We have WSI (Water Safety Instructors) and certified lifeguards on staff. All campers have the opportunity to participate in recreational swim daily. Children who sign up for swimming lessons have lessons before recreational swim time. Parents will be notified of days and times for lessons, if you would like to stop by to observe. Observation areas for pool times are provided in the pool room behind the pool and also along side of the pool and along the side of the pool. We will make up swim lessons missed due to inclement weather only (thunder and/or lightning).

Swimming and diving instruction is available for campers ages 2 ½ & toilet trained to 12 years old. Hilltop provides floatation devices, so please save yours for home. If you would like to purchase the type of swim belts we use for lessons, we have extra's for sale. Swimming lessons are a half-hour long, in small groups with a WSI instructor and a certified lifeguard. If you have any questions about our swim program, do not hesitate to call. Prices are enclosed.

Special Camp Programs: Each summer, we plan special activities throughout each session for our campers.
